

NOW IS THE TIME TO ADOPT A NEW BEST FRIEND TO SPEND THE HOLIDAYS WITH!

Milwaukee Area Domestic Animal Control Commission (MADACC), Wisconsin's largest open-admission animal shelter and the stray hold facility for all Milwaukee County municipalities, is waiving adoption fees for all available dogs and cats the month of December 2014 for the MADACC Home for the Holiday Event.

MADACC is hoping to adopt out 150 animals during the month of December, and their selection of available animals will change daily. Additionally, Wisconsin Humane Society (WHS) will be waiving adoption fees for animals that have transferred from MADACC to their facility. WHS is MADACC's largest transfer partner.

Home for the Holidays is the organizations' first joint holiday promotion. Waived adoption fees include spay/neuter surgery, microchip, and up-to-date vaccines. A \$12 license fee will apply for all Milwaukee County residents.

MADACC is encouraging interested adopters to complete a free and non-binding adoption application for pre-approval prior to coming to meet their new pet. Please drop off your application at MADACC, fax to 414-763-6234, or email to adopt@madacc.org. You can find the adoption application at http://www.madacc.org/files/MADACC_Adoption_Application.pdf.

You can find MADACC's adoptable animals listed on their Petfinder website at <https://www.petfinder.com/pet-search?shelterid=WI13>. Not all animals in the facility are available for adoption as they are on their stray hold or will be going to another facility for adoption.

MADACC is located at 3839 W. Burnham St. in West Milwaukee. For more information call (414)649-8640 or email adopt@madacc.org.
